

THREE TYPES of SHABBOS KIDDUSHES TO CHOOSE FROM:

Dec 17,2018

A Shabbos Kiddush is VERY Important for the Vitality & Growth of OUR Membership,
And contributes to Family interactions, Helping or Learning from each other &
Schmoozing.

1. A Shabbat Mevarchim Kiddush:

To help continue this monthly tradition, contact: Gavriel Ayayi or the Shul office.

2. Your own Kiddush - Organized by you DIRECTLY with the CATERER:

For this -Please contact: Ilia Hatsav 416-665-2815; or email: veggiemaster@yahoo.ca

- **This is generally for a Meaningful event in your Family's life:**
 - eg a special Yahrtzeit, a graduation, a birth, a marriage, Good Health results etc

You control, with the caterer:

- The menu items, costs, planned dates etc.- required by you for your event;
- You arrange any notices in the Beth Jacob weekly, emails, announcements etc through the Beth Jacob office.

3. A contribution to help SUPPLEMENT a Members' Mini Kiddush:

This is for an event that has meaning to you but doesn't require your own entire Kiddush.

e.g. A birthday, some happy event , a Holiday (eg Succos or Purim) or just because you are feeling good and want to share with other members.

Some of the features are:

- 1) You make a suggested Contribution of \$36 to Beth Jacob -to help supplement a Members' Kiddush;
- 2) **Over time**, When 8 to 10 similar contributions are received they will be used for a Kiddush;

The Kiddush menu will be for pre made foods that do not require special attention for warming or preparation and can be ordered from outside suppliers;

3) Typical foods might include a mix of:

Homous, Tuna salad, Egg salad, Potato salad, Herring, Gefilte fish, Potato Kigel, Pastries, Cookies, Crackers etc.;

- 4) Foods will generally be Parve with possibly some Dairy items but generally no Meat items;
- 5) Foods will be checked when received - for proper kosher seals etc.;
- 6) **Much of the organization will be done by Volunteers**,
And to keep it SIMPLE,
-You will have little input into how and when the Kiddush is done;
- 7) If you want you can arrange with the office **-To put something about your special event in the Weekly & can mention you have made a Supplemental Contribution;**
- 8) The week of your contribution (or notice if you choose to make one), may NOT be the same week as the actual Kiddush – which depends on 8 to 10 Similar contributions;
- 9) Generally, Your Contribution is low key, But we will tend to make an announcement on the week of an ACTUAL Supplemented Kiddush of who the Contributors were - After the Shabbos prayers;

(The fact that you or your immediate family know you were KIND & THOUGHTFUL enough to help other members is more important then the advertisement)
